

28-jan-es

The diagram illustrates a mechanical assembly in cross-section. A central vertical shaft passes through several components. At the top, there's a component labeled 'MASSE 5 DaN' (Mass 5 DaN). Below it, a horizontal flange or bracket is labeled 'BRIDE'. Further down, there are two small circular features, one labeled '16' and another '19'. The bottom part of the assembly is secured by a large nut and washer. Callouts '01', '02', '03', and '04' point to specific internal components or seals. The entire assembly is mounted on a base plate.
